

Thermal Protection?

We've got you covered!

Blizzard Survival Products incorporate Reflexcell™ material, which has become the new standard of thermal performance in a lightweight, compact package.

Designed with outdoor enthusiasts in mind

- Hunting
- Mountain Climbing
- Camping
- Skiing
- Hiking
- Sailing
- Fishing
- Canoeing

Cellular construction traps warm air, giving vastly superior warmth over **any** comparable product.

Retailers!
Don't be left out in the

COLD

All Blizzard products are vacuum-sealed and available in 3 select colors:

Designed to provide warmth, weather protection, reduce shock, and guard against the risk of hypothermia.
